Orienteering in
Worcester, Hereford,
South Shropshire, Black
Country and Birmingham.

Sunday 14th June 2020

It is with great regret that we have cancelled the Urban event in Birmingham City Centre.

Although the date of the event lies just outside the 12 week suspension of orienteering activities imposed by British Orienteering, there is no guarantee that this won't be extended. We are at an advanced stage of planning and organising but there is still work to be done. With most of the team being asked to self-isolate we will not be able to complete these tasks.

We have no plans to reschedule this event but we can look forward to 2022:

****** In 2022 there are plans for a weekend of Orienteering - an Urban event at Birmingham University on Saturday and a Euro City Urban Race in Birmingham City Centre on Sunday.******
