

FIND YOUR WAY

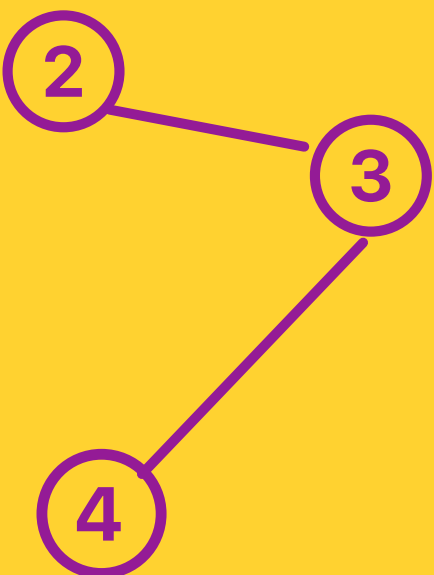

LINEAR

around the course

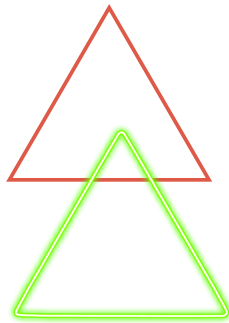

TIP

The purple lines joining the numbers together show the shortest way between them, can you find the closest, safe route to the line?

START

Click 'Go to Start' and look for the triangle. When you are ready go into the triangle and wait until it turns green

TIP

Avoid passing through the Finish whilst visiting controls on the course. Doing so will end your attempt!

CONTROL 1

Look for a small purple circle numbered 1. Make your way to it via the shortest, safe route you can take. Wait until it turns green.

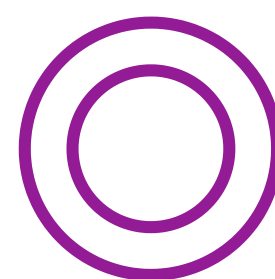

CONTROL 2, 3, 4 +

Make your way to the next number, make sure you visit the controls in number order!

FINISH

After visiting all controls head to the double circle (FINISH) to complete the course. Wait for it to turn green.

click 'show results' to see how you did!
