Thanks to everyone who turned up to keep this great event alive.

Congratulations to everyone who got round in less than an hour, in difficult conditions. The winners were Andrea Deathridge of Mercia Fell Runners and Tom Beasley, who missed Wyndley Gate and had to double back, and still got round in 49 minutes. Special congratulations to two runners who beat their age – took less minutes than years of their age – Stan Alexander and Roger Richards.

Well done to the parents and children who competed – Craig and Sam Watters (father and daughter) and Stuart Duckworth and Jonah Hearn (father and son).

Please let me know if I've missed anything or got any of the above wrong.

Next year we expect to be back to our normal date, the last Wednesday in June, the 29th. See you then!
