Brown

Pos	Name	Class	Club	Time
1	Simon Goodwin	M21	HOC	81:02
2	Jeremy Smith	M45	OD	118:57

Notes

n/c – non competitive

dnf – did not finish

Organisers Comments

Well done to everyone who took part. I hope you enjoyed your run. I would like to thank everyone who helped with car parking, registration, at the start, finish and download. Many hands make light work ! Thanks also to Dave for planning some interesting courses and to Adrian for assisting Dave in putting out the controls. If anyone is interested in joining COBOC please go to our website www.coboc.org.uk and follow the links. We are also holding Club Training nights every Wed at 6pm at Clifton Road Youth Centre Sutton Coldfield between now and 7th December. Further details are on the COBOC website. Hope to see you again soon.

Ian Gamlen – Organiser

Planners Comments

Thanks to Ian for booking the weather! I hope you enjoyed the courses – I used the “sevens” format together with colour coded to hopefully give some route choice between controls. My challenge was to see how few controls we needed to put out to get 5 courses in – the answer was 20! Apologies to those on the Blue and Brown – control 102 was in the wrong place and I know it caused some frustration. I hope you enjoyed the challenge of the event and we hope to be back in the park March/April in 2012 to celebrate the updating of the permanent course.

Dave Ellis - Planner
